#### LandGrant EndowmentFunds

The University of AlaskaLandGrant Endowmenthasits origin in the federal land grant acts of 1915 and 1929 and subsequently the AlaskaStatehoodAct. Approximately 110,000 acres of land were transferred to the territory of Alaska eventually to the Board of Regents to be held in trust for the university. Then et proceeds from the sale, lease, exchange and other uses of these lands have been deposited in the University of Alaska Endowment Trust Fundas provided by Alaska Statue 14.40.400. Alaska Statute 14.40.400 gives the Board of Regents the authority to manage the endowment under the total return principles which are intended to preserve and maintain the purchasing ower of the endowment fund, a unitized investment fund.

Theaccompanying chedules of Net Position and Changes in Net Position reflect the financial position of the Landr Grant Endowment and related funds as of June 30, 2013 and the changes in net position for the year then ended. The investments of the Land Grant Endowment and Inflation Proofing Fund, which have fair values at June 30, 2013 of \$117.1 and \$17.7 million, respectively are invested in a consolidate on when the day of Alaska Foundation in accordance with an agreement and investment policy approved by the Board of Regents.

Expenditureof the endowmentfund earningsis governedby regents' policy, which provides that a portion of the earnings be utilized to manage the university's lands, a portion be set aside in order to maintain the purchasing power of the endowment, and a portion be transferred to the Natural Resource Fundfor the purpose of funding programs in support of UAScholars natural resource management marketing and education, and other university programs.

The Scheduleof Allocated Natural Resources Fun

## LandGrantEndowmentFunds Notesto the FinanciaSchedules June30, 2013

ByActsof Congres in 1915 and 1929, approximately 110,000 acresof landwere transferred to the territory of Alaska to be held in trust for the university. The grant lands were subsequently transferred to the state of Alaska eventually to the Board of Regents o be held in trust for the university. Currently, approximately 82,393 acresof these lands are held at no basis because fair value at the date of transfer was not determinable. In 1982 and 1988, the university was allowed to select certain state lands including timber and other rights as replacement for lands dispose of by the territory and the state. These replacement lands and property interests were recorded at their fair value as of the date of transfer.

### **LandGrantTrustFund**

The Land Grant Trust Fundas reported in these schedules epresents the original land grant, the invested proceeds from the sale and/or development of these resources and the appreciation in value of the invested funds. The endowment is managed on a total return basis. Receivable of approximately 2.6 million are primarily from sales of trust land. Investments of approximately 117.1 million are held in a consolidated moment fund under the direction of the University of Alaska Foundation. The consolidated nvestment fund is managed by the Foundation's investment committee and treasurer in accordance with an investment policy approved by the Board of Regents. Cashbalance are invested in pooled investment funds. Real property of approximately 31.5 million is comprised primarily of replacement and property interests and does not include the value of the university's original entitlement land. Security deposits totaling \$0.4 million are held for security or performance on contracts and other leases. Net position includes \$18.0 million of accumulate the tearnings.
